### § 1201.116 Appellant requests for enforcement of interim relief.

(a) *Before a final decision is issued.* If the agency files a petition for review or a cross petition for review and has not provided required interim relief, the appellant may request dismissal of the agency's petition. Any such request must be filed with the Clerk of the Board within 25 days of the date of service of the agency's petition. A copy of the response must be served on the agency at the same time it is filed with the Board. The agency may respond with evidence and argument to the appellant's request to dismiss within 15 days of the date of service of the request. If the appellant files a motion to dismiss beyond the time limit, the Board will dismiss the motion as untimely unless the appellant shows that it is based on information not readily available before the close of the time limit.

(b) *After a final decision is issued.* If the appellant is not the prevailing party in the final Board order, and if the appellant believes that the agency has not provided full interim relief, the appellant may file an enforcement petition with the regional office under § 1201.182. The appellant must file this petition within 20 days of learning of the agency's failure to provide full interim relief. If the appellant prevails in the final Board order, then any interim relief enforcement motion filed will be treated as a motion for enforcement of the final decision. Petitions under this subsection will be processed under § 1201.183.
